

You Can Make a Difference for Seniors in Your Community

You know you have a special way of taking care of others - maybe you've been a family caregiver or you just want to make a difference in the life of others. Share your unique talents and skills to help seniors stay independent and live the lifestyle they desire.

Although it's an incredibly rewarding career, your clients may not always welcome your help. Some will face greater challenges than others - like mobility issues or dementia. But these challenges reaffirm how much your help is needed.

As a CAREGiver, you may provide companionship and help with daily activities such as light housekeeping, meal preparation and errands. Or you may be asked to perform more personal services like help with toileting and bathing.
